## COMPATIBLE WITH

Arco is the new Urmet B/W video door phone with 4.5" display. Simple style is combined with extreme simplicity: icons are arranged

by the side of the buttons for user-friendly use. In addition to the door opener button there are two buttons for secondary services and the

mute function is mechanically controlled and indicated by the red button which appears on the lever. Ideal for who wants to evolve a video door

phone system containing costs and choosing an item with streamline, discreet design.
